TLNOTE FOR PAGE3

"THE SA SHI SU SE SO OF COOKING" IS A MNEMONIC FOR THE CORRECT ORDER OF ADDING THE SEASONINGS
IN TRADITIONAL JAPANESE COOKING, THE SEASONINGS ARE ADDED IN THIS ORDER
1.) SUGAR (O-SATOU)
2.) SALT (O-SHIO)
3.) VINEGAR (O-SU)
4.) SOY SAUCE (O-SHOYU, BUT REPRESENTS SE)
5.) MISO (O-MISO)
(NOTE THAT THE O-HONORIFIC IS USED WITH THE SEASONINGS)

ARIA ASKS WHAT SUGAR MIXED WITH SOY SAUCE IS CALLED
SO SHINO REPLIES "O-SASE", WHICH IS SUGAR (SA) AND SOY SAUCE (SE)
HOWEVER, "O-SASE" ALSO HAPPENS TO MEAN "SLUT", SO TSUDA

RESULTS REVEALED!!

CHARACTER POPULARITY POLL!!

The response for the 2011 Character Popularity Poll exceeded our expectations. Here are the results~!

Voice Actor for Amakusa Shino

Hikasa Youko's comments

Thoughts on Seitokai Yakuindomo:
While staying faithful to the original work, the anime was also overflowing with originality, which made it even more enjoyable! I think the staff really enjoyed working on it. I love it!!

Thoughts on Shino's ranking:
As expected of the Student Council President!! Even though she has her faults, I'm glad you all still love her. I'm very happy. Thank you very much

Voice Actor for Shichijou Aria

Satou Satomi's comments

Thoughts on Seitokai Yakuindomo:
The risque content is quite overwhelming. Thanks to this series, I've learned many new things. I feel like I've become more adult after meeting the Student Council members. (LOL)

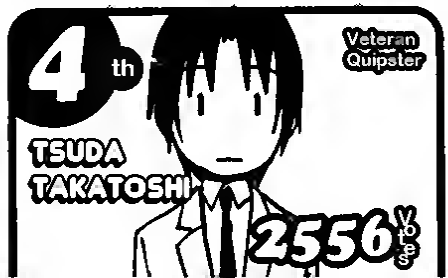
Thoughts on Aria's ranking:
Honestly, I'm very happy! Aria is very fortunate to have so many people love her. Everyone, please continue to support your favorite ero-terrorist. (LOL)

Voice Actor for Hagimura Suzu

Yahagi Sayuri's comments

Thoughts on Seitokai Yakuindomo:
A masterpiece in the art of dirty jokes. This odd balance is truly quite lovely!!

Thoughts on Suzu's ranking:
She ranked higher than I thought she would. (LOL) I thought she would lose to Mutsumi. Suzu is around here ↓



Mr. Ujiie was surprised by how high Dejima-san ranked despite her relative lack of appearances. Aria, the character with the most dirty jokes, placing 2nd was also a head-scratcher. And, the male-lead Takatoshi placing 4th reminded him of his first work 10 years ago, "My Sister is in Puberty," where the male lead Shinji placed 2nd on the popularity polls. "I wonder why that is..." he would ask. It made him a little happy.
